General Mortgage information

We're very happy that you're applying for a Mortgage with Bank of Ireland. If there's anything here that you're unsure about or if you have any questions, please ask. We will be with you every step of the way and will do everything we can to make your Mortgage experience as straightforward as possible.

Certain lending criteria apply to all types of Mortgage, and there are terms and conditions. You must be over 18 and security and insurance are required. We'll make sure all of this is clear to you up front.

Warning: Your home is at risk if you do not keep up payments on a mortgage or any other loan secured on it.

Mortgage Rate options

You can choose a fixed or variable loan rate, or a combination of the two.

- ▶ **Variable:** This means your repayments are influenced by market interest rates which can go up or down during the life of your mortgage. A variable rate gives you the flexibility to make early repayments or lump sum repayments and so reduce the overall cost of your Mortgage.
- ▶ **Fixed:** A fixed rate Mortgage guarantees a specific rate for a period of your loan (for example for 1, 2, 3, 5 or even 10 years. This ensures your monthly repayments remain the same every month during the fixed rate period. There may be a charge if you change to another rate or pay off your loan early during a fixed rate period - see warning below. At the end of the fixed rate period you will move to a variable rate or you can opt for a new fixed rate for another period.
- ▶ **Split rate:** Splitting your mortgage rate gives you the security of a fixed rate on part of your loan amount with the benefits of a variable rate on the remainder. You can split your Mortgage whichever way you like, for example you can fix 20% and leave the rest variable, or split 50/50, 70/30, etc.

Our Mortgage rates vary depending on the amount you are borrowing compared to the value of the property (LTV) and whether you opt for a variable or fixed rate.

Warning: You may have to pay charges if you pay off a fixed-rate loan early.

Mortgage Language made simple

Annual Percentage Rate of Charge (APRC): The APRC is a calculation of the overall cost of a loan expressed as an annual rate. It takes into account all costs involved over the term of the loan, such as the interest rate, valuation fee and mortgage charge paid to the Property Registration Authority. We calculate it to a standard set out in consumer protection legislation.

Annuity Mortgage: This is the standard Mortgage type where part of the initial amount you borrow – the capital (see 'Capital' below) – is paid back every month along with interest. Once all the capital and interest is paid back the property is mortgage free.

Arrears: If you fall behind in your Mortgage repayments it means your Mortgage is in arrears. There may be additional charges associated with a Mortgage in arrears.

Building Energy Rating (BER): A BER is similar to the energy label for household appliances and tells you how energy efficient your new home will be. The label has a scale of A to G, with A-rated homes being the most energy efficient. A BER certificate is compulsory on homes being sold or rented.

Buy to Let: This is a Mortgage to purchase a property for investment purposes (usually where you want to let or rent it to a tenant). Terms of up to 30 years are available for Buy to Let mortgages.

Capital: This is the original amount of money you borrow.

Contract / Contract for Sale: A contract is a legal agreement between two or more people. When you wish to buy a house, you first sign a Contract for Sale with the seller. The Contract for Sale should be in the form approved by the Law Society (the professional body for solicitors) and your solicitor will guide you on it. The Contract for Sale will set out the steps that need to be taken before you sign the Deed (see 'Deed' below). Usually, you pay a deposit when signing the Contract for Sale (see 'Deposit' below).

Conveyancing: This is the legal process that includes researching, documenting and transferring ownership of a property. It also involves filing records in state registries, such as the Property Registration Authority (see 'Property Registration Authority' below) and paying government stamp duty on the sale. Generally, a solicitor must look after this.

Deed: A legal document in a special form. The document used to transfer ownership of a property must be in the form of a deed – it is signed by both the vendor and the purchaser as evidence of transferring ownership.

Deposit: A sum of money paid by the purchaser when an offer to purchase is made. Two deposits may be payable – the first is a refundable booking deposit. You normally have 21 days after paying this deposit, generally referred to as the ‘cooling off’ period, before signing the Contract for Sale. On signing the contract, a deposit is paid to secure the property purchase. In general this deposit is non-refundable.

Drawdown: Once all of the conditions of the Mortgage have been fulfilled to the satisfaction of the Bank and the contracts have been exchanged, the Bank will ‘draw down’ the loan funds and send them to your solicitor.

Equity: This is the difference between the value of your property and what you owe under your Mortgage loan (see ‘Negative Equity’ below).

Equity Release: If you have equity in your home, i.e. if the value of your home is greater than what you owe under your mortgage loan (see ‘Mortgage’ below), then you may be able to release some of this equity by taking out an Equity Release, that is an additional mortgage loan secured on the property. Equity Release could be an ideal option to fund significant expenses like home improvements, a garden makeover, even education expenses. Terms up to 30 years (to maximum age 70) are available with an Equity Release mortgage.

This term can differ from your current mortgage term.

First Time Buyer (FTB): A first-time buyer is a person who has never before, either on his or her own or with others, purchased a house, a site to build a house or an apartment in Ireland or abroad. Terms of up to 35 years are available to first-time buyers (to maximum age 70). All applicants must be first-time buyers for the mortgage loan to be a first-time buyer mortgage loan.

Foreign Currency Loan: All our mortgage loans are in Euro. Your mortgage loan will be treated as a Foreign Currency Loan under EU consumer law if either (a) you intend to repay it from earnings in a currency other than Euro; or (b) if you live in an European Economic Area (EEA) Country that is outside of the Eurozone. For example, if you intend to repay your mortgage loan from earnings in sterling; or if you live in Norway (an EEA country outside the EU) or Poland (a country in the EU and EEA), your mortgage loan will be a foreign currency loan. When we lend a Foreign Currency Loan we add a special set of conditions to your Offer Letter and must give you extra information. These things are designed to help you limit the exchange rate risk to which you are exposed by borrowing a mortgage loan in Euro.

Interest rate: This is the cost to you of borrowing money. The rate is usually expressed as a percentage rate per annum (i.e. per year). Interest rates can be either fixed or variable.

Loan to Value Ratio (LTV): LTV is the amount that you are borrowing compared to the value of the property you are buying. For example, if you buy a property valued at €300,000 and borrow €240,000, your LTV is 80%.

Mortgage: A Deed you sign to create security over a house or land and sometimes over other types of property. For example, security in the form of a mortgage is usually given to a bank or building society to enable it to lend to a borrower to finance the purchase of a property. A loan secured by a mortgage can be called a mortgage loan.

Mover: If you already own a home (or have owned one before) and are moving to a new home you will be considered a Mover. You may be seeking a mortgage loan to allow you move home. Terms of up to 30 years are available to Movers (to maximum age 70).

Negative Equity: This is where the market value of your property is less than what you owe under your mortgage loan.

Owner Occupier Mortgage: A Mortgage given to a person(s) to purchase a house in which he or she intends to live.

Property Registration Authority: The state registry where dealings concerning land are filed (usually by solicitors) and registered.

Property Registration Authority Fee: A fee paid to the Property Registration Authority to register you as the new owner of the property after you buy your home. This fee will be included in the legal costs charged by your solicitor.

Redeemed / Redemption: When a mortgage loan is fully repaid the mortgage is said to be “redeemed” and “redemption” of a mortgage is full repayment of the mortgage loan.

Repayment: The amount you agree to pay us each month on your mortgage loan.

Searches: Searches are carried out by your solicitor in the Property Registration Authority and other state registries to ensure that the person selling the property has a legal right to sell it and that there is nothing on the title (such as a mortgage from the seller to a bank) which would affect you (see ‘Title’ below). Your solicitor should also carry out searches to ensure any house or building has full planning permission.

Stamp Duty: A Government tax on the purchase of a property.

Switcher: Someone who moves a mortgage loan secured on a house from one financial institution to another without moving home. Terms of up to 35 years are available to Switchers (to maximum age 70).

Term: The term of the mortgage loan is the length of time over which you agree to pay off the loan. The longer the term the less you pay each month, but a longer term also means paying more interest over the duration of the loan.

Title: The right to ownership of property, especially land. Types of title include freehold (where the owner owns land outright) and leasehold (where the owner has a lease of the land).

Underwriter: A professional employed by lenders or insurers to assess the level of risk in providing lending / insurance cover.

Valuation: A report which describes a property and estimates its market value. It is prepared by a professional valuer. When we agree to lend a mortgage loan, we require such a report (called a Valuation Report). The valuer must be acceptable to the Bank. Remember: the Valuation Report is not a detailed structural survey or planning survey and we strongly recommend you have your own surveyor or valuer carry out a survey / valuation for your own peace of mind.

Valuation

The Bank requires that you arrange a valuation of the property (or properties) offered as security, carried out by a valuer acceptable to the Bank. You will need to pay the valuation fee direct to the valuer. You need to agree that fee with the valuer (you should expect to pay a fee of €150 to €250 plus VAT but this can vary). If we withdraw the loan offer we may refund this fee. No responsibility is implied or accepted or warranty given by the Bank for the value or condition of the property as outlined in the valuation. The valuation report will remain the property of the Bank and you are entitled to your own copy of the report.

Arrears – Interest Surcharge

If you do not pay us a repayment instalment or other sum of money by the date you are due to pay it, we may charge you a default interest rate of 0.5% per month or part of a month (which is 6% per year) on the unpaid sum. This default interest is added to normal interest.

We do not charge borrowers default interest when they are in a Mortgage Arrears Resolution Process under the Central Bank's Code of Conduct on Mortgage Arrears and are co-operating reasonably and honestly with us.

Legal fees

You will need to pay legal fees to your own solicitor, which you need to agree with him or her as part of your own arrangement. This does not include costs associated with the Bank's legal investigation of title for the purpose of the Mortgage.

Accountable trust receipt: €63. You will need to pay this fee to the Bank where your solicitor requests the Title Deeds from the Bank on your behalf.

Security Perfection Fee for Equity Release: €600. This fee covers the Bank's legal expenses where the Bank agrees to handle an Equity Release loan without the need for a customer to engage his/her own solicitor.

The following additional costs will be payable by the borrower for

(i) buy to let properties and (ii) principal dwelling housing where the loan amount is €1.5 million or over.

1. The borrower must reimburse the Bank for the legal costs incurred by the Lender in effecting the Lender's Security and related tasks (excluding costs associated with the Bank's legal investigation of title for the purpose of the mortgage);
2. The outlay and fees payable to state agencies for the registration of the Lender's Security, which must be remitted to the borrower's solicitor.

The Lender's legal costs to be reimbursed by the borrower are the following:

- a) the Lender's solicitor's professional fee of €950 plus Value Added Tax per property
- b) Outlay and fees payable to state agencies for the registration of the Lender's Security which shall not exceed €350 per property.

The Lender's legal costs, once paid by the borrower, are not refundable. Typically these must be paid at the closing of the transaction.

You may be liable for legal, valuation and other costs incurred in perfecting the security or any other requirements even if the Mortgage loan is not advanced.

Letter of Offer

Once your application is approved, a Letter of Offer detailing your Mortgage offer from the Bank is issued to you and to your solicitor. It will include the Interest Rate, how you are to repay your loan and the duration ('Term') of the mortgage loan. Full Terms and Conditions are included.

It must be signed and returned to the Bank within 30 days of the date of the Offer Letter to remain valid.

LEGAL NOTICES

We have a legal duty to include the notices below. They contain important and useful information. Please take the time to read them.

WARNING: IF YOU DO NOT MEET THE REPAYMENTS ON YOUR LOAN, YOUR ACCOUNT WILL GO INTO ARREARS. THIS MAY AFFECT YOUR CREDIT RATING, WHICH MAY LIMIT YOUR ABILITY TO ACCESS CREDIT IN THE FUTURE.

WARNING: YOUR HOME IS AT RISK IF YOU DO NOT KEEP UP PAYMENTS ON A MORTGAGE OR ANY OTHER LOAN SECURED ON IT.

If your Mortgage is ever on a variable rate:

WARNING: THE PAYMENT RATES ON THIS HOUSING LOAN MAY BE ADJUSTED BY THE LENDER FROM TIME TO TIME.

If your Mortgage is ever on a fixed rate:

WARNING: YOU MAY HAVE TO PAY CHARGES IF YOU PAY OFF A FIXED-RATE LOAN EARLY.

If your Mortgage is on an interest only term:

WARNING: THE ENTIRE AMOUNT THAT YOU HAVE BORROWED WILL STILL BE OUTSTANDING AT THE END OF THE INTEREST-ONLY PERIOD.

If your Mortgage is an Equity Release Mortgage and is being used for debt consolidation purposes:

WARNING: THIS NEW LOAN MAY TAKE LONGER TO PAY OFF THAN YOUR PREVIOUS LOANS. THIS MEANS YOU MAY PAY MORE THAN IF YOU PAID OVER A SHORTER TERM.

Repaying your Mortgage early

If you repay your Mortgage early when you are on a variable rate of interest, we charge no redemption fee.

If you repay your Mortgage early when you are on a fixed rate of interest, or change to another rate within your fixed rate period, you may have to pay an additional funding fee. This funding fee is compensation for the additional interest expense that the Bank may incur as a result of a customer breaking their fixed rate contract. If there is no additional interest expense incurred by the Bank no compensation will be required.

This is how the funding fee compensation is calculated – it is equal to "C" where: $C = A \times (R\% - R1\%) \times D \div 365$, and

"A" = the amount repaid early (or the amount which is changed from the fixed rate to a new rate) averaged from the date of early repayment (or rate change) to the end of the fixed rate period to allow for scheduled repayments (if there are any) and interest charges.

"R%" = the annual percentage interest rate which was the cost to us of funding an amount equal to "A" for the originally intended fixed rate period.

"R1%" = the annual percentage interest rate available to us for a deposit of an amount equal to "A" for a period equal to "D".

"D" = the number of days from the date of early repayment (or rate change) to the end of the fixed period.

Here is a worked example:

"Amount" = €250,000,

"R" = 5 %, "R1" = 3%, "D" = 2 years or 730 days

$C = 250,000 \times (5\% - 3\%) \times 730 \div 365$

So, $C = 250,000 \times 2\% \times 730 \div 365$

$C = €10,000$

Bank of Ireland Mortgage Bank trading as Bank of Ireland Mortgages is regulated by the Central Bank of Ireland.

Description of Financial Service

The service being supplied by the Bank is a housing loan to be secured on the property(ies) as set out in the housing loan Letter of Offer. The Bank requires a first legal mortgage or charge on the property which is used to secure the Loan. The duration of the Loan, the interest rate applicable to the Loan, the APR and the special and general conditions attaching to the Loan are all set out in the housing loan Letter of Offer to the Borrower.

Fees and Charges

The total cost of the credit to the Borrower is set out on the Letter of Offer under "Statutory Loan Details". The Bank will require the Borrower to effect a property insurance policy to keep the property insured against fire and usual risks and to pay all premia in respect of the property policy. The Bank may also require the Borrower to effect a mortgage protection policy for the term of the Loan to repay the Loan in full in the event that the Borrower dies before the Loan is paid off. All premia in respect of the mortgage protection policy must be paid by the Borrower.

The Bank requires that a valuation be carried out by a valuer acceptable to the Bank and the appropriate fee must be paid directly by the Borrower to the Valuer. The Bank may require a structural survey to be carried out by a suitably qualified architect or engineer depending on the age and condition of the property and the Borrower must pay the fee for the structural report.

Legal fees (excluding the costs associated with the Bank's legal investigation of title for the purposes of the Loan) are payable by the Borrower to his or her Solicitor. The amount will depend on the arrangement between the parties. Where security is

perfected in-house by the Bank the security perfection fee is as set out in the Special Conditions on the Letter of Offer.

Other fees, charges and taxes not imposed by the Bank – e.g. government stamp duty and registration fees may be payable by the Borrower. The information contained in the Borrower's Letter of Offer is valid for a period of 6 months from the date of the Letter of Offer. The Bank may at its discretion extend this period.

Legal fees are payable by the Borrower to his or her solicitor. The amount will depend upon the arrangements between the parties. The following additional costs will be payable by the Borrower:

1. The Borrower must reimburse the Bank for the legal costs incurred by the Lender in effecting the Lender's Security and related tasks (excluding costs associated with the Bank's legal investigation of title for the purpose of the mortgage);
2. The outlay and fees payable to state agencies for the registration of the Lender's Security, which must be remitted to the borrower's solicitor.

The Lender's legal costs (including VAT) to be reimbursed by the Borrower and the Outlay and fees payable to state agencies for the registration of the Lender's Security are stated in the Special Conditions on the Letter of Offer. The annual percentage rate of change (APR) quoted in Part 1 on the Offer Letter has been calculated to include the Lender's Legal costs.

The Lender's legal costs, once paid by the Borrower, are not refundable. Typically, these must be paid at closing of the transaction.

Fees may also apply for the non-standard services – e.g. duplicate statements.

Interest rates and charges relating to the Loan are set out in the general and special conditions of the enclosed Letter of Offer. The actual interest rate applicable to the Loan is set out in the Letter of Offer and may be subject to change in accordance with the terms of the Letter of Offer. The loan must be repaid in accordance with the general and special conditions of the accompanying Letter of Offer.

Any sum not paid by its due date is subject to an additional interest charge at the rate of 0.5% per month or part of month (i.e. 6.00% per annum) subject to a minimum of €2.54 per month from the due date until payment. This additional interest charge is intended to cover the Bank's increased administration and related charges due to the Borrower's default. Full details of this charge are set out in the accompanying Letter of Offer. If the Loan is at any time at a variable rate the payment rates may be adjusted by Bank from time to time.

Your right to cancel

In accordance with Regulation 12 (d) of the European Communities (Distance Marketing of Consumer Financial Services) Regulations 2004 the Borrower does not have the option to cancel the Loan. In the case of a variable rate loan, the Loan can be redeemed in full at any time without the payment of a funding fee by lodging the funds to the Borrower's mortgage account. In the case of a fixed rate loan, in the event of early repayment of the Loan in whole or in part for any reason, or conversion to a variable interest rate, or other fixed rate within the initial fixed rate period or any further or subsequent fixed rate period, the Borrower will be liable to pay a sum to be calculated in accordance with the following formula.

The sum will be equal to "C" where:

$$C = \frac{A \times (R\% - R1\%) \times D}{365}$$

365

and

"A" = the amount repaid early (or the amount which is changed from the fixed rate to a new rate) averaged from the date of early repayment (or rate change) to the end of the fixed rate period to allow for scheduled repayments (if there are any) and interest charges.

"R%" = the annual percentage interest rate which was the cost to us of funding an amount equal to "A" for the originally intended fixed rate period.

"R1%" = the annual percentage interest rate available to us for a deposit of an amount equal to "A" for a period equal to "D".

"D" = the number of days from the date of early repayment (or rate change) to the end of the fixed period.

If "C" is zero or a negative number, no amount is to be paid by you or us.

Here is a worked example:

Let us assume you wish to repay €100,000 on a fixed rate before the fixed rate period ends.

"A" = €100,000

"R%" = 5%

"R1%" = 3%

"D" = 2 years or 730 days

$$C = \frac{100,000 \times (5\% - 3\%) \times 730}{365}$$

365

So,

$$100,000 \times 2\% \times 730$$

365

C = €4,000

The Bank has the right to call for early repayment of a mortgage loan where a borrower does not make all payments due in full and on time or otherwise breaches the mortgage loan contract.

Governing law and language

The Loan will be governed by and construed in accordance with the laws of Ireland, and the courts of Ireland shall have exclusive jurisdiction to resolve any disputes in connection with the Loan. The English language will be used for the purpose of interpreting the Letter of Offer and for all communication in connection with the Letter of Offer and the Loan in general.
